

## Postgraduate Qualifying Programs (Business and Law)

### Course Description

Taught by Deakin College and Deakin University's English Language Institute (DUELI), Deakin University offers the Postgraduate Qualifying Program (Business and Law).

This non-award program is designed to provide a quality pathway to Deakin University's postgraduate programs in Business.

Note: The PQP course is only available to international students. Applications are processed by Deakin University and students should visit Deakin University's website: [www.deakin.edu.au](http://www.deakin.edu.au) for further information about the course, application and acceptance procedures and application form.

### Campus

Melbourne Campus at Burwood

### CRICOS Code

061692F

### Who should apply?

The PQP is designed for students whose academic qualifications and/or English proficiency levels are marginally below the entry requirements for coursework master programs.

### Course Duration

One trimester (four months) duration.

### Teaching Methods

Instruction for all units is classroom based. Four hours of teaching per week are allocated to each unit: a two hour lecture followed by a two hour tutorial.

### Entrance requirements

#### Academic

Completion of three year post-secondary study qualification (equivalent to post-year 12).

Note: entry to the Master of International Business and associated combined courses will also require a business related discipline completed at post-secondary level.

#### English

An overall band score of 6 or better in the International

English Language Testing System (IELTS) test (Academic module) with no individual band score less than 6 (or equivalent).

### Course Structure

The PQP comprises of four units. Students must complete two units drawn from the relevant discipline area and two units of English language and academic skills instruction in one trimester of study.

### Further studies

Students must meet the entrance criteria listed below (at first attempt) for entry into specified postgraduate coursework programs at Deakin University.

#### Entrance Criteria:

To be eligible for one of the postgraduate programs above, you must successfully complete all four PQP units and achieve a minimum credit grade of 60 percent in the two discipline-based units undertaken (MAA103, MAE102, MAF101 or MMM132).

Students seeking admission to the Master of International Business must also have completed studies in a business-related discipline at post-secondary level.

To be eligible for the Master of Business Administration (International) and associated combined degree courses, you must successfully complete all four PQP units with an average mark of 65 percent and a minimum credit grade (60 percent) in the two discipline-based units (MAA103, MAE102, MAF101 or MMM132).
