

# DEAKIN COLLEGE AUSTRALIAN STUDENT GUIDE

2017/18

Melbourne and Geelong

START RIGHT HERE

**DEAKIN  
COLLEGE**

in association with

**DEAKIN  
UNIVERSITY**

## YOUR FUTURE STARTS RIGHT HERE

- Deakin College delivers the best alternative start for realising your goal of attaining a Deakin University degree.
- Your university experience begins right here at Deakin College. You will study in a specialised and highly supportive college environment designed for your success at university.
- With flexible study options you can complete your Deakin College course in eight or twelve months.
- Since 1996, our enriched courses have helped more than 15 000 Australian and international students progress into a Deakin University degree.
- Deakin University students have registered the highest level of student satisfaction amongst all Victorian universities for six consecutive years between 2010 and 2015 (Australian Graduate Survey).
- Deakin is ranked in the top three universities in Australia for graduate employability (Times Higher Education Global University Employability Ranking 2016).

# WELCOME

## MESSAGE FROM THE PRESIDENT AND VICE-CHANCELLOR OF DEAKIN UNIVERSITY

**Professor Jane den Hollander**  
President and Vice-Chancellor,  
Deakin University

Congratulations on your decision to study at Deakin College. You will experience internationally accredited courses in a supportive, technology-rich and culturally diverse environment.

Deakin College graduates receive the very best preparation for a successful university career and the supportive Deakin College learning environment encourages the sort of collaborative and independent learning we know is critical in preparation for the jobs and skills of the future. You'll find Deakin College also provides you with access to new friends, to new ideas, and to lots and lots of interesting and exciting social activities.

I hope to welcome you to Deakin University when you successfully complete your studies at Deakin College.

My very best wishes for your time at Deakin College.

## MESSAGE FROM THE COLLEGE DIRECTOR AND PRINCIPAL OF DEAKIN COLLEGE

**Dr John Duncan**  
College Director and Principal,  
Deakin College

We appreciate that the decision to continue studying is a serious commitment made by you. At Deakin College you will join almost 3000 Australian and international students enrolled in our courses.

As a commencing student of Deakin College, you will benefit from a number of advantages in your studies at our College. Some of the exciting future changes to the College will involve developments in approaches to teaching and learning, physical spaces, digital technologies and course offerings at Deakin University.

The College will also provide an improved student experience and superior student outcomes as well as reflecting the continuously growing reputation of Deakin University. We are committed to giving you every opportunity to succeed in your studies and I invite you to take the first step towards achieving your educational goals with Deakin College.

'Deakin College allowed me to ease into the Deakin Uni life. It offered smaller class sizes which were less intimidating and allowed more connection between the students and lecturers!'

Jakob Jensen  
Diploma of Management graduate

## OUR VISION

Deakin College is a direct pathway to Deakin University, providing the Deakin student experience that supports successful transition to further studies at the University.

We deliver:

- innovative teaching and learning
- a positive student experience
- engagement with digital learning technologies.

# YOUR ACCESS TO DEAKIN UNIVERSITY

Deakin University is a multi-award winning university with world-class research facilities and a longstanding record for using cutting-edge technology, while providing a highly personalised learning experience. Deakin is Australia's seventh largest university with more than 54 000 students, of whom approximately 18 per cent are international students from more than 100 countries.

Deakin fosters a spirit of innovation and optimism, shaping dynamic thinkers who are ready to face real-world problems head on. The University's commitment to drive higher education's digital frontier manifests in many ways, from world-class facilities to an experiential learning approach. Deakin prepares students for the jobs and skills of the future – guiding them to become industry-ready graduates with the cultural awareness, global contacts and skills essential for a global marketplace.

## Leading the way

Deakin is forging a new path both locally and globally as a leading provider of innovative learning and a positive university experience. We are proud to be in the top 2 per cent of universities across the three major international university ranking systems (the Academic Ranking of World Universities, Times Higher Education World University Rankings and QS World University Rankings), assessed from 18 000 universities worldwide.

## Current achievements include:

- placement in the top 300 universities in the world – Times Higher Education World University Rankings
- top three ranked university in Australia for graduate employability – Times Higher Education Global University Employability Ranking 2016
- ranked 39 in the world's top 50 universities under 50 years of age – QS World University Rankings
- awarded the 2015 ICT Support and Services Award in the Wharton QS Stars Reimagine Education awards for implementing Watson – a 24/7/365 online student advisory service
- sector leader for student satisfaction, first in Victoria for six consecutive years – Australian Graduate Survey 2010–2015
- 5 stars out of 5 for learning resources and skills development – The Good Universities Guide
- Deakin's MBA and Bachelor of Commerce are internationally recognised and EPAS accredited by the European Foundation for Management Development
- awarded the Victoria's Exporter of the Year award in Education and Training at the Governor of Victoria Export Awards in 2014, 2015 and 2016
- Deakin University's School of Exercise and Nutrition Sciences has been ranked the world's best in the 2016 Academic Ranking of World Universities ratings of Sport Science Schools and Departments
- recognised as one of the top 50 institutions globally for excelling in digital transformation – Digital Edge 50 2016.

## CLOSE LINKS WITH INDUSTRY

Deakin University maintains close links with industry, government, departments, professional associations and other educational providers to ensure courses are developed and reviewed with industry and professional input.

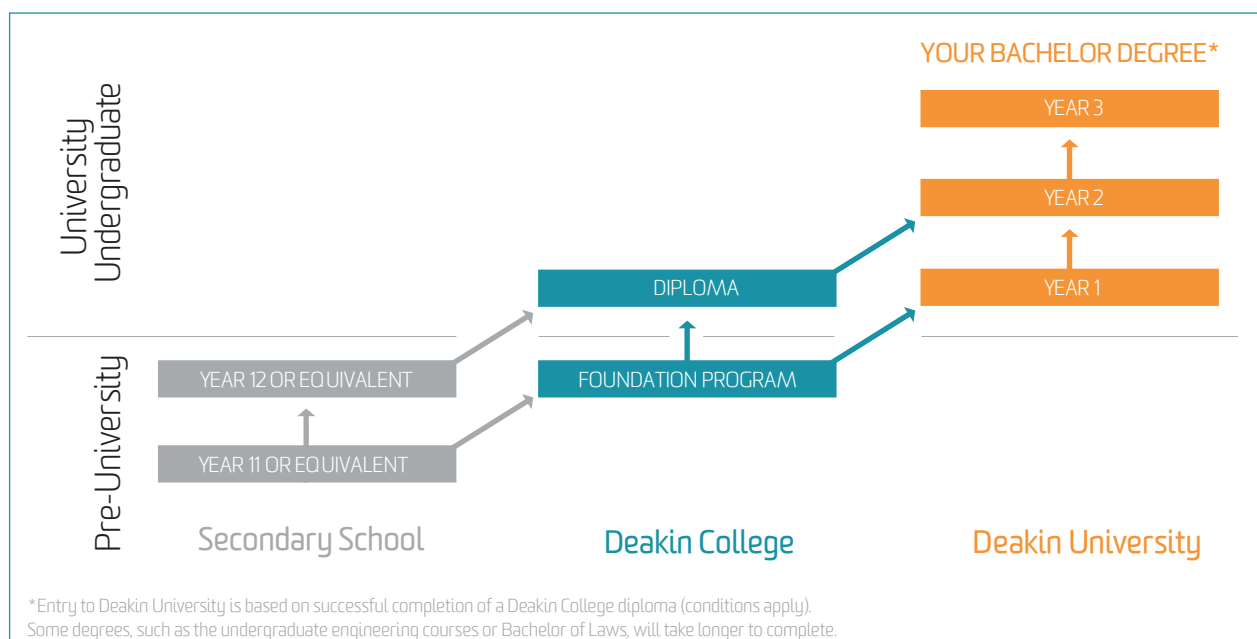

# DEAKIN COLLEGE: YOUR DIRECT PATHWAY TO DEAKIN UNIVERSITY

A Deakin College undergraduate pathway program is your link between previous study and a university degree. These pathways are an ideal alternative for anyone who may not meet the direct entry requirements for an Australian degree.

## Why choose Deakin College?

- Pathway to Deakin University: Deakin College programs provide you with a direct pathway to Deakin University. Deakin College is located on Deakin University's Melbourne Burwood Campus and the Geelong Waurin Ponds and Waterfront campuses in Victoria, Australia. As a Deakin College student, you have access to the full range of services and facilities available on each campus. Deakin College also offers the diploma pathway at our offshore campus in Jakarta, Indonesia.

- A supportive learning environment: Deakin College students have access to career advisory services and health and study support, which help ensure a smooth transition to your Deakin University degree. If you need additional academic assistance, you can attend free study support workshops. These workshops focus on areas such as study and writing skills, assignment preparation and examination techniques.
- Flexible start dates: Deakin College offers three trimesters each year, commencing in March, June and October. With three intakes per year, you can choose to enter a course when it is convenient for you. Trimester dates can be found on page 28.
- Fast-track options: Deakin College diploma courses offer a fast-track option where you can complete a program in 8 months instead of 12 months. Some pathway programs add an extra year to your tertiary studies, but this is not the case at Deakin College. By choosing a fast-track option, it may be possible to enter university earlier than students studying in a conventional pathway program.
- Small lecture and tutorial groups: Small class sizes are a major benefit of studying at Deakin College. Lectures contain an average of 45 students and are complemented by small group tutorials and workshops, so you will receive a high level of academic contact and support.
- Additional teaching hours: In keeping with its supportive approach, Deakin College provides more teaching hours per academic unit. Instead of the traditional three hours of teaching, Deakin College conducts its classes in four-hour block sessions Monday to Friday from 8.30am to 12.30pm and from 1.30pm to 5.30pm (some units requiring lab sessions may run outside these hours). Limited units may also be offered weeknights from 5.30pm to 9.30pm and on Saturdays from 9.30am to 1.30pm. This extra academic contact in four-hour block sessions will allow you to fully develop your knowledge and understanding of each unit.
- Convenient transport: All Deakin College campuses are conveniently located and easily accessible by public transport or car. For more information, on public transport for Melbourne and Geelong visit [metlinkmelbourne.com.au](http://metlinkmelbourne.com.au).

# DEAKIN COLLEGE LOCATIONS

Deakin College has four campus locations. In Australia we are located on three Deakin University campuses in the state of Victoria. One is in metropolitan Melbourne and the other two are in Geelong. The fourth campus is offshore in Jakarta, Indonesia.

## GETTING TO BURWOOD

Melbourne Burwood Campus is easily accessible by public transport, bike or private car. The Melbourne Burwood Campus sits between the Lilydale/ Belgrave, Glen Waverley and Alamein train lines, a number of bus routes and tram lines service the campus, as well as being close to a great network of bike paths.

## Melbourne, Australia

Victoria's capital city, Melbourne, is recognised as one of the world's most liveable cities. Ranked the world's most liveable city six years in a row (2011- 2016, Economist Intelligence Unit survey), Melbourne is a friendly multicultural city, home to people from over 140 nations. Located on the south-east coast of the Australian mainland on a beautiful inland bay, Melbourne is the gateway to many of Victoria's dramatic coastlines, desert lands, snowfields, countryside and mountains, all of which are an easy drive away. Cosmopolitan Melbourne offers a wide variety of world-class entertainment, quality restaurants, beautiful parks and gardens and excellent shopping.

## Melbourne Burwood Campus

The Melbourne Burwood Campus is Deakin University's largest campus. This impressive site is continually evolving to match students' needs both in and outside of the classroom. Students enjoy the relaxed suburban atmosphere and huge choice of learning and social areas.

Deakin College courses taught on this campus: Diplomas of Commerce, Computing, Health Sciences, Management, Media and Communication.

Burwood campus

## Geelong, Australia

Victoria's second largest city, Geelong, is situated on the beautiful Corio Bay and Barwon River, only an hour from central Melbourne by car or train. The gateway to the world-famous Great Ocean Road, Geelong is close to some of the best surf beaches on earth. It has all the modern amenities of a larger city, including excellent cafés, restaurants, shopping and recreational facilities, and offers a clean, healthy and relaxed environment to live in.

## Geelong Waurn Ponds Campus

The Geelong Waurn Ponds Campus is only 10km from the Geelong CBD. This campus is the proud home of the Geelong Technology Precinct with cutting-edge facilities including Carbon Nexus, Centre for Advanced Design in Engineering Training (CADET) and Deakin Medical School. All this is set amongst expansive, landscaped grounds that encourage students to make the most of the outdoor space.

Deakin College courses taught on this campus: Diplomas of Engineering, Health Sciences, Science.

## Geelong Waterfront Campus

The Geelong Waterfront Campus is located in the central business district of Geelong.

Originally built in 1893, the buildings have been extensively renovated to create a modern and impressive campus centre with creative and modern areas to catch up or study. With its striking heritage architectural features and outlook onto the spectacular north-facing shores of Corio Bay, the Geelong Waterfront Campus is a truly iconic site.

Deakin College course taught on this campus: Diploma of Commerce.

Waurn Ponds campus

## Jakarta, Indonesia

Jakarta, the capital of Indonesia, is a city rich with history. Home to millions of people from around the world, the city is a mixture of languages and contrast of cultures. It is the industrial, economic and travel hub of Indonesia, marrying a rich cultural history together with modern living. Students enjoy exploring this city's tourist attractions, shopping malls and discovering Jakarta's famous street food.

### Jakarta Campus

The Deakin College Jakarta Campus is located in central Jakarta and is not conducted on a Deakin University campus. The Jakarta Campus boasts bright modern classrooms and excellent facilities with access to cafés, restaurants and mini market in the building, along with banks and ATMs in the lobby.

Deakin College courses taught on this campus: Deakin College Jakarta Foundation Year; and Diplomas of Commerce, Computing, Management, Media and Communication.

Burwood campus

### WANT MORE CAMPUS INFO?

Campus maps and more information can be found at [deakincollege.edu.au/about](http://deakincollege.edu.au/about).

If you would like to book a tour of one of Deakin's campuses, please email [deakincollege@deakin.edu.au](mailto:deakincollege@deakin.edu.au).

# YOUR STUDENT LIFE ON CAMPUS

At Deakin College, we recognise the importance of meeting both your academic and personal needs. We offer a range of services and facilities to make your time at Deakin College as enjoyable as possible. Our qualified staff will also support you as you adjust to studying in a new environment.

## Orientation and enrolment program

Deakin College holds an orientation and enrolment program the week before each trimester. During orientation you will receive valuable information to help you settle in at Deakin College, enrol in your classes, create a timetable, receive your student ID card, meet your lectures and make new friends. More information about orientation will be provided with your letter of offer. Attendance is compulsory.

## Personal and academic support

As a Deakin College student you will have access to Deakin University's large support network. We encourage you to use the following services as soon as you need them:

- a free and confidential counselling service, for discussing any personal or welfare matters.
- language and learning advisors, who provide additional study support services.

- study support workshops, which can help with study and writing skills, assignment preparation and examination techniques.
- careers counsellors, who are available to discuss issues such as career planning, decision making, further study options and job opportunities.
- a Health Services unit that provides general medical care, health promotion and stress management.
- the campus chaplain, which provides spiritual and pastoral care (Australian campuses only).

## Study Skills Support

For assistance with specific study skills such as referencing, essay structure, time management and exam preparation, you can make an appointment with the Academic Skills Advisor.

## Student Committee (SC)

The Student Committee (SC) acts as the voice of our students, ensuring that any concerns of the students are heard by Deakin College's staff. The SC holds regular meetings to ensure that the students get to communicate with Deakin College regularly, and also organises various social events to foster a sense of community and belongingness to Deakin College.

## Deakin College Student Portal

Through a username and password you will have access to the Deakin College Student Portal. The portal contains important information relevant to your studies such as unit outlines, course notes, examination timetables, results and re-enrolment details.

## Transferring to Deakin University

Deakin College organises information sessions for students planning to transfer to Deakin University. These sessions provide course information for your chosen degree and information about admission and enrolment procedures to ensure you make a successful transition to Deakin University.

## Campus facilities

Deakin College students on Australian campuses have access to all Deakin University activities including sport and recreational facilities, libraries, bookshops, 24 hour computer laboratories and campus shops.

## Clubs and societies

Deakin College students studying on the Deakin University campuses can join the Deakin University Student Association (DUSA). As a partner member you can make friends through a wide variety of clubs, sports and social events, go on great trips and tours, and save money on books, photocopying, food and drinks. For more information, visit [dusa.org.au](http://dusa.org.au).

## Your new environment

Coming to study in a new city can be both exciting and overwhelming. At Orientation, you will be provided with tips and advice on how to adjust to a new environment and about keeping safe.

## Join us online

Deakin College's Facebook community is a great way to meet new friends and find out what is happening on the campus and surrounding areas, so why not join up today: [facebook.com/deakincollege](https://facebook.com/deakincollege).

For more information about Deakin College services and facilities, visit [deakincollege.edu.au](http://deakincollege.edu.au).

# ACCOMMODATION

Be sure to arrange your accommodation as soon as you know which campus you will be studying at. Options will depend on your campus location, budget and your preferred type of accommodation.

## Australian Campuses

### On-campus accommodation

A range of on-campus accommodation is available at the Melbourne Burwood Campus and Geelong Waurin Ponds Campus. All accommodation is within walking distance of all campus facilities.

For more information, including costs, application procedures and key dates, visit [deakincollege.edu.au/accommodation](http://deakincollege.edu.au/accommodation).

### Off campus housing service

Gain access to various accommodation options including full board, share housing and vacant properties for private rental through Deakin University Student Life.

For more information, visit [deakincollege.edu.au/accommodation](http://deakincollege.edu.au/accommodation).

## FEEL AT HOME AT DEAKIN

Make Deakin your home and enjoy open and inviting spaces for socialising and studying, spacious new buildings and full WiFi coverage.

# YOUR COURSE AT DEAKIN COLLEGE

Deakin College pathways can provide an entry point into the first or second year of your bachelor's degree or first year of a master's degree.

Depending on your academic background, you can start your pathway to undergraduate studies through a university-level Diploma course.

'Deakin College offers diploma courses that get you into your second year of your bachelor so it was a great pathway for me as I did not have the right scores to get straight in and this allowed me go straight into my second year without losing any time for my education'

Sheina Vorchheimer  
Diploma of Health Science graduate

# UNIVERSITY-LEVEL DIPLOMAS

Deakin College offers diplomas in Commerce, Computing, Engineering, Health Sciences, Management, Media and Communication, and Science. These courses aim to prepare you for entry into second year of a relevant bachelor's degree.

## Who should apply?

The diploma courses are aimed at students who have completed Year 12 at high school, or a selected post-secondary certificate or diploma.

## Course structure

Each diploma consists of 8 academic units, which you must complete and pass to receive the diploma. Most units have four hours of class contact per week. Assessment for all units is ongoing and continuous, and includes tests, assignments and case study analysis. Most units have a final two hour examination.

## Course accreditation

The diploma courses are accredited by the Tertiary Education Quality and Standards Agency (TEQSA).

## Diploma to degree transfer criteria

When you successfully complete a diploma, you will be eligible for entry into a Commonwealth Supported Place (CSP) in the second year of the relevant Deakin University undergraduate degree, provided you have met the following criteria:

- completed and passed 8 Deakin College Diploma units\*;
- achieve the required Weighted Average Mark (WAM) for your Deakin College diploma, taking into account all units attempted at Deakin College (required WAM's are included under each Deakin University degree on the following diploma pages).

Deakin College students who complete their course within the normal time frame for completion (based on full-time enrolment) are considered for entry to Deakin University on the basis of the conditions which applied at the time they commenced their course.

Deakin College students who complete their course beyond the normal time frame beyond the normal completion period (based on full-time enrolment) are considered for entry to Deakin University on the basis of the conditions that are in place at the time they apply for entry to Deakin University.

*\* Transfer to some degrees requires specific Deakin College units to be completed in order to receive the appropriate credits. For full details and conditions, please visit the Deakin College website and click on the relevant diploma: [deakincollege.edu.au](http://deakincollege.edu.au)*

# STUDY AREAS AT DEAKIN COLLEGE

- 14 Diploma of Commerce
- 16 Diploma of Computing
- 18 Diploma of Engineering
- 20 Diploma of Health Sciences
- 22 Diploma of Management
- 24 Diploma of Media  
and Communication
- 26 Diploma of Science

# DIPLOMA OF COMMERCE

The Diploma of Commerce provides the foundation for further study in areas such as accounting, business law, economics, finance, international business, marketing and management at Deakin University. Completing a degree in one of these fields offers a wide range of career options across private and public-sector organisations.

## Employment and career options upon completing your Bachelor's degree

Accounting, business consulting, business management, corporate law, economics, financial planning, human resource management, industrial relations, international trade, IT administration, IT system development, law reform, legal aid, marketing, network management, policy research and development, public administration.

## Location

Melbourne Burwood Campus  
Geelong Waterfront Campus  
Jakarta Campus

## Duration

8 to 12 months

## Academic entry requirement

Year 12 or equivalent

## Intakes

March, June and October

## Course structure

Complete and pass 8 units:

- MWL101 Personal Insight
- MAA103 Accounting for Decision Making
- MAE101 Economic Principles
- MAF101 Fundamentals of Finance
- MLC101 Law for Commerce
- MMK101 Marketing Fundamentals
- MMM132 Management
- MIS171 Business Analytics

T1 Trimester 1 entry T2 Trimester 2 entry T3 Trimester 3 entry

\* See page 11 for Diploma to Degree transfer criteria.

\*\* Trimester 3 intakes are only available to Domestic students in Cloud (Online).

+ Choice of additional units is based on the Deakin University degree you wish to enter. Full details are listed on the Deakin College website.

++ Offered Burwood (Melbourne) and Cloud (Online) only.

+++ Offered at Burwood (Melbourne), Waterfront (Geelong) and Cloud (Online) only.

≈ On condition that places are available.

≠ Choice of majors limited and not available on all campuses.

# These degrees require you to take additional first year degree units when you transfer to Deakin University. The degree may therefore take longer to complete.

~ First 3 years of course only.

^^ Students will be required to undertake units in Cloud (Online) mode.

^^^ Entry into the Bachelor of Laws

• Completed and passed 8 Deakin College Diploma of Commerce units.

• A Weighted Average Mark (WAM) of at least 70 per cent taking into account all units attempted at Deakin College.

< Not all major sequences are available via Campus study at Warrnambool.

 For up-to-date course information, core units and additional information, visit:

[deakincollege.edu.au/programs/diploma-commerce](http://deakincollege.edu.au/programs/diploma-commerce)

# DIPLOMA OF COMPUTING

The Diploma of Computing provides a broad introduction to computing, after which you will progress to a more specialised area during your degree such as computer science, games design and development, interactive media design, mobile and apps development, cloud computing, security and programming.

## Employment and career options upon completing your Bachelor's degree

Component integration, cryptography, data communications, database and information systems design and management, games development, iOS developer, mobile applications architect or programmer, multimedia design, network management, procedural programming, project management, security analysis, security systems development, software development, systems analysis, maintenance and programming, web programming.

## Location

Melbourne Burwood Campus  
Jakarta Campus

## Duration

8 to 12 months

## Academic entry requirement

Year 12 or equivalent

## Intakes

March, June and October

## Course structure

Complete and pass 8 units:

### 4 core units

- SIT101 Fundamentals of Information Technology
- SIT103 Database and Information Retrieval
- SIT104 Introduction to Web Development
- SIT105 Critical Thinking and Problem Solving for IT

### Plus 4 additional units\*

- SIT102 Introduction to Programming
- SIT111 Introduction to Computer Science
- SIT112 Data Science Concepts
- SIT113 Cloud Computing and Virtualisation
- SIT120 Introduction to Apps Design
- SIT151 Game Fundamentals
- SIT153 Introduction to Game Programming
- SIT161 Principles of Interactive Media
- SIT162 Interactive Media Systems
- SIT182 Real World Practices for Cyber Security
- SIT190 Introductory Mathematical Methods
- SIT191 Introduction to Statistics and Data Analysis
- SIT192 Discrete Mathematics

# DIPLOMA OF ENGINEERING

The Diploma of Engineering is a broad course that will give you the skills and knowledge required for a full spectrum of opportunities in the field of engineering. You can choose to specialise in civil, electrical and electronics, mechanical or mechatronics engineering when you enter second year at Deakin University.

## Employment and career options upon completing your Bachelor's degree

Aerospace, aircraft control and navigation, automotive industry, construction, design and manufacturing, electronic control systems, factory control, government engineering, roads and railroads, shipbuilding, robotics, water supply.

## Location

Geelong Waurn Ponds Campus

## Duration

8 to 12 months

## Intakes

March, June and October

## Academic entry requirement

Year 12 or equivalent

## Prerequisite

Year 12 Mathematics or equivalent

## Course structure

Complete and pass 6 units (8 credit points):

- SEJ101 Design Fundamentals (2 credit points)
- One of SEJ102 Electrical Systems Engineering Project (2 credit points)~ or SEJ103 Materials Engineering Project (2 credit points)^
- SEB101 Engineering Fundamentals (1 credit point)
- SIT172 Programming for Engineers (1 credit point)
- SIT194 Introduction to Mathematical Modelling (1 credit point)
- SIT199 Applied Algebra and Statistics (1 credit point)

*All Diploma of Engineering students must complete SEJ010 Introduction to Safety and Project Oriented Learning, which is a 50-minute safety training program. This is a 0 credit point compulsory unit and does not count toward your total credit requirements.*

*^ For students intending to articulate into either the Bachelor of Civil Engineering (Honours) or Bachelor of Mechanical Engineering (Honours).*

*~For students intending to articulate into either the Bachelor of Electrical and Electronics Engineering (Honours) or Bachelor of Mechatronics Engineering (Honours).*

## SECOND YEAR ENTRY TO DEAKIN UNIVERSITY\*

Course	Trimester intake	WAM required for transfer					Credits
		Burwood (Melbourne) B	Waterfront (Geelong) WF	Warrnambool (Geelong) WP	Warrnambool WB	Cloud C	
<b>BACHELOR OF ...</b>

Mechatronics Engineering (Honours) WP C	T1 T2			50		50	8

Note: The undergraduate Engineering courses are four year degrees. On completion of the Deakin College Diploma you will be required to study an additional 3 years of full-time study.

T1 Trimester 1 entry T2 Trimester 2 entry T3 Trimester 3 entry

\* See page 11 for Diploma to Degree transfer criteria.

 For up-to-date course information, core units and additional credit transfer to Deakin University visit: [deakincollege.edu.au/programs/diploma-engineering](http://deakincollege.edu.au/programs/diploma-engineering)

### DEAKIN CADET BUILDING

Deakin University's Centre for Advanced Design in Engineering Training (CADET) changes the way students learn and train to become engineers of the future. Direct collaboration with industry, an emphasis on shifting the learning model to a design based approach and using the latest equipment and facilities all culminate in 21st century engineering education.

# DIPLOMA OF HEALTH SCIENCES

This course provides a sound knowledge and understanding of the health of individuals, communities and populations and will allow you to enter a wide variety of undergraduate courses at Deakin University in areas such as health sciences, psychology, exercise and sport science, food and nutrition, and public health and health promotion.

## Employment and career options upon completing your Bachelor's degree

Case manager, case worker, community health officer, counsellor, development manager, dietitian, disability officer, exercise scientist, fitness advisor, food product developer, food quality assurance manager, health educator, health promotion officer, market researcher, nutritionist, project officer, sports coach, vocational guidance worker.

\* See page 11 for Diploma to Degree transfer criteria.

+ Choice of additional units is based on the Deakin University degree you wish to enter. Full details are listed on the Deakin College website.

≈ On condition that places are available.

≠ Choice of majors limited and not available on all campuses.

# When you transfer into this degree, there may be extra unit requirements needed to satisfy the course rules and therefore it may take longer than 2 years to complete the degree. The reason for this can be because you may be required to take additional first year units or depending on the majors you wish to undertake or due to the sequencing of pre-requisite units.

## Students wishing to enter into the Bachelor of Food and Nutrition Science should undertake this unit. SLE155 is recommended.

# DIPLOMA OF MANAGEMENT

The Diploma of Management is your pathway to the Bachelor of Management at Deakin University. Various specialist majors are available within Deakin's Faculty of Business and Law, and you will also be able to select elective units from another faculty in areas such as public relations, journalism or many others.

## Employment and career options upon completing your Bachelor's degree

Business management, events management, communications, finance and financial planning, organisational consulting and psychology, human resources, project management, property and real estate.

## Location

Melbourne Burwood Campus  
Jakarta Campus

## Duration

8 to 12 months

## Intakes

March, June and October

## Academic entry requirement

Year 12 or equivalent

## Course structure

Complete and pass 8 units:

- MAA104 Financial Literacy
- MLC101 Law for Commerce
- MMK101 Marketing Fundamentals
- MMM132 Management
- MAE203 Global Economy
- MIS203 Making Sense of Information
- MMM111 Intrapersonal Skills
- MMM267 Business Logistics

\* See page 11 for Diploma to Degree transfer criteria.

~ Trimester 3 intakes are only available at Burwood (Melbourne) for Domestic and International students. Trimester 3 Cloud (online) mode offerings are only available to Domestic students.

++ Offered at Burwood (Melbourne) and Cloud (Online) only.

^^ Students will be required to undertake units in Cloud (Online) mode.

 For up-to-date course information, core units and additional credit transfer to Deakin University visit: [deakincollege.edu.au/programs/diploma-management](http://deakincollege.edu.au/programs/diploma-management)

# DIPLOMA OF MEDIA AND COMMUNICATION

This diploma offers a wide range of unit choices leading to the second year of the relevant Deakin University degree. Areas of study include animation and motion capture, journalism, media and communication, photography and public relations.

## Employment and career options upon completing your Bachelor's degree

Animation and digital culture employees, art direction, community education, consumer affairs, creative services, culture industries employees such as heritage officers, development professionals and those seeking research and analysis positions in the global media industries, games development, graphic design, health and welfare, industry and commerce, journalists, non-government organisation professionals, photographers, public relations consultants.

## Location

Melbourne Burwood Campus  
Jakarta Campus

## Duration

8 to 12 months

## Intakes

March, June and October

## Academic entry requirement

Year 12 or equivalent

## Course structure

Complete and pass 8 units:

### 2 core units

- ACC100 Communication in Everyday Life
- ACC101 Creativity and Dangerous Ideas

### Plus 6 additional units\*

- ACF103 Writing with the Camera
- ACF104 Moving Pictures: Screening Film History
- ACG102 Design and Typography
- ACG103 Design Skills
- ACI101 Still Images
- ACI102 Pixel to Print: Digital Imaging 1
- ACI103 Thinking Photography: History, Theory and Cultural Context
- ALC104 Media Genres: Negotiating Textual Forms and Pleasures
- ALC105 Media Culture and Technological Transformations: Living in the Digital Age
- ALJ111 News Reporting 1
- ALJ112 News Reporting 2
- ALR103 Introduction to Public Relations
- ALR104 Strategic Communication and Writing
- AMC100 Introduction to Animation
- AMC104 Principles of Character Animation

The destination courses listed below are undergoing a change for 2018, affecting credit transfer and course progression.

For more information, please refer to the website or contact Deakin College.

- Bachelor of Arts
- Bachelor of Creative Arts
- Bachelor of Communication

\* See page 11 for Diploma to Degree transfer criteria.

# These degrees require you to take additional first year degree units that are not available within your Deakin College Diploma when you transfer to Deakin University. The degree may therefore take longer to complete and a reduction in credits awarded may be necessary.

+ Choice of additional units is based on the Deakin University degree you wish to enter. Students should carefully select all the available units from their target Deakin University degree to ensure the full 8 credits can be awarded for their Diploma. Full details are listed on the Deakin College website.

^ This maximum level of credits (8) relies upon careful unit selection within your Deakin College Diploma and the Deakin University degree you wish to enter.

≠ Choice of majors limited and not available on all campuses.

\*\* The course is undergoing a change for 2018, affecting credit transfer and course progression. For more information, please refer to the website or contact Deakin College. Bachelor of Arts, Bachelor of Creative Arts, Bachelor of Communication.

 For up-to-date course information, core units and additional credit transfer to Deakin University visit: [deakincollege.edu.au/programs/diploma-media-communications](http://deakincollege.edu.au/programs/diploma-media-communications)

# DIPLOMA OF SCIENCE

The Diploma of Science leads to Deakin University's Bachelor degrees in science, biological science, biomedical science, environmental science, forensic science or zoology and animal science. Graduates may work in a wide range of cutting-edge and rapidly growing fields, and could be involved in the scientific developments that hold the key to the future.

## Employment and career options upon completing your degree

Biomedical science, environment and natural resources, forensics, genetic engineering, insurance investigation, laboratory technology, management, marketing, medical research, pest management officers, occupational health and safety, pharmaceutical production or sales, research science, risk analysis, quality assurance, education, quarantine officers.

## Location

Geelong Waurm Ponds Campus

## Duration

8 to 12 months

## Intakes

March, June and October

## Academic entry requirement

Year 12 or equivalent

## Course structure

Complete and pass 8 units:

### 5 core units

- SLE123 Physics for the Life Sciences
- SLE111 Cells and Genes
- SLE132 Biology: Form and Function
- SLE133 Chemistry in Our World
- SLE155 Chemistry for the Professional Sciences

### Plus 3 additional units\*

- HBS107 Understanding Health
- HBS109 Human Structure and Function
- HSN101 Foundations of Food Nutrition and Health
- SIT194 Introduction to Mathematical Modelling
- SIT191 Introduction to Statistics and Data Analysis
- SLE102 Physical Geography
- SLE103 Ecology and the Environment
- SLE112 Fundamentals of Forensic Science
- SLE115 Essential Skills in Bioscience

*\* The elective(s) you choose will depend on the degree program that you intend to study at Deakin University.*

*All Diploma of Science students must complete a Laboratory and Fieldwork Safety Induction Program (SLE010), which is a 50-minute safety training program. This does not count toward your total units.*

*For SLE111, SLE132, SLE112, SLE133 and SLE155 you must complete SLE010 Laboratory and Fieldwork Safety Induction Program as a co-requisite unit. You must successfully complete SLE133 Chemistry in our World before enrolling in SLE155 Chemistry for the Professional Sciences (pre-requisite).*

# HOW TO APPLY TO DEAKIN COLLEGE

## Applying through VTAC

For entry into Deakin College's March intake only, Australian students should apply through the Victorian Tertiary Admissions Centre (VTAC). Online VTAC applications open in August for students starting in the following year. You can apply through VTAC if you are:

- an Australian citizen
- an Australian permanent resident
- a New Zealand citizen
- a temporary resident currently studying an Australian Year 12\* or International Baccalaureate in Australia or New Zealand.

## VTAC codes for Australian students

- Diploma of Commerce B 9190191902
- Diploma of Commerce S 9190291902
- Diploma of Computing B 9190191912
- Diploma of Engineering G 9190391612
- Diploma of Health Sciences B 9190192702
- Diploma of Health Sciences G 9190392702
- Diploma of Management B 9190192722
- Diploma of Media and Communication B 9190192712
- Diploma of Science G 9190391602

For more information about VTAC, visit [vtac.edu.au](http://vtac.edu.au).

## Applying directly to Deakin College

As an Australian student, you can apply directly to Deakin College if:

- you are applying for the June or October intakes at Deakin College, or
- the VTAC rounds have closed for the March intake.

You can apply online at [deakincollege.edu.au/apply](http://deakincollege.edu.au/apply), or download an application form at [deakincollege.edu.au/documents-forms](http://deakincollege.edu.au/documents-forms). Application forms should be sent to Deakin College, together with copies of certified academic qualifications and evidence of citizenship or residency (e.g. passport, birth certificate).

## What happens next?

If your application is successful, you will receive a Letter of Offer explaining the course that has been offered, the fees payable, and your orientation and course commencement dates. You will also receive an Acceptance form that outlines Deakin College's Conditions of Enrolment and Refund Policy.

To secure your place at Deakin College, you must return your signed Acceptance form and pay tuition fees as specified in your Letter of Offer. Tuition fees can be paid via FEE-HELP (if eligible), direct deposit, bank cheque or credit card.

## Payment options

### FEE-HELP

If using FEE-HELP please complete the forms provided with your Letter of Offer and return to Deakin College. Please ensure you provide your Tax File Number. Note: FEE-HELP is only available for Australian citizens & holders of certain humanitarian visas enrolling into the the Diploma programs.

### Direct deposit

#### Bank:

Westpac Banking Corporation

#### Branch:

109 St Georges Terrace, Perth, WA

#### SWIFT code:

WPACAU2S

#### Account Name:

Navitas Ltd — MIBT

#### Account Number:

773841

#### BSB Number:

036 000

#### Payment reference details:

Student name and ID number

For proof of payment, please provide Deakin College with a copy of the bank receipt.

#### Bank draft/bank cheque

Payable to: Deakin College

#### Credit card

Payment can be made by MasterCard or Visa. A 1.5% surcharge applies for credit card transactions. Download and print the credit card payment authority form, and return the completed form to the Deakin College Admissions Office.

# TUITION FEES

Courses	2017 Tuition Fees	FEE-HELP available

 Newspaper/magazine  
 Recommended by a friend/relative — if so, is your friend/relative a Deakin College student?  Yes  No  
 Recommended by an education agent  
 Internet, please specify: \_\_\_\_\_  
 Social media, please specify: \_\_\_\_\_  
 Other (please specify): \_\_\_\_\_

## Application checklist

- I have completed all sections of the Application form.  
 I have read and understood the Conditions of Enrolment (Deakin College's full Refund policy is available at [deakincollege.edu.au](http://deakincollege.edu.au)).

Check that you have attached:

- certified copies of your academic qualifications\*  
 a certified copy of your passport, visa or birth certificate  
 a certified copy of your citizenship documents  
 your Tax File Number  
 evidence of your English language proficiency (if required)  
 any relevant employment documentation (if required)

\* A certified copy is signed by an authorised officer to acknowledge that it matches the original document exactly. Authorised officers include:

- Deakin College staff
- an authorised Deakin College representative
- staff of the institution that issued the document
- a Justice of the Peace or Public Notary
- staff of an Australian Embassy, Consulate or High Commission

## Declaration

I declare the information I have supplied on this form is, to the best of my understanding and belief, complete and correct. I understand that giving false or incomplete information may lead to my application being refused or my enrolment cancelled.

I have read and understood the relevant course information in the Deakin College and Deakin University brochure and/or on the Deakin College and Deakin University website and I have sufficient information about Deakin College and Deakin University to enrol. I understand that the pathway may lead to future studies at Deakin University, subject to Deakin University's entry requirements.

I give permission to Deakin College and Deakin University to verify official records from an educational institution attended by me, and to supply my contact details and any relevant official records to educational institutions to which I am eligible for admission.

I authorise Deakin College to provide my personal information, including my contact details and enrolment details, to third parties in accordance with Deakin College's Privacy Policy. These third parties include Deakin College representatives (agents) acting on my behalf; Deakin University (to facilitate progression from Deakin College to the next stage of my studies); and Navitas Limited and its affiliates (to communicate regarding pathways and services offered by Navitas Limited and its related companies). For further information, see Deakin College's Privacy Policy at [deakincollege.edu.au](http://deakincollege.edu.au) and Deakin University's Privacy Statement at [deakin.edu.au/disclaimer](http://deakin.edu.au/disclaimer).

I understand that if I have applied through an approved Deakin College/Deakin University agent, all correspondence relating to my application will be forwarded to that agent.

I understand that Deakin College and Deakin University fees may increase. I accept liability for payment of all fees as explained in the Deakin College and Deakin University publications, and I agree to abide by the Deakin College and Deakin University Refund policy ([deakincollege.edu.au](http://deakincollege.edu.au)).

I understand that by signing this Application form, I will be sent letters of offer for a program at Deakin College and, if indicated, Deakin University.

I understand that any conditions concerning an offer of admission will be contained in my letter of offer from Deakin College, which I will be required to read and sign.
